

Natural Fibrenamics Award 2019

This Fibrenamics Contest, included in 4th International Conference on Natural Fibers, aims to award the best innovative products in the field of natural fibers. The proposals will be shown during the conference in a special show-room prepared for this purpose. The products will be evaluated by a selected jury, aiming on the innovation, design and functionality. The contest intends to be a showcase of the latest innovation in the field of the natural fibers, both for the scientific and industrial communities.

Conditions of entry

Entry is open to businesses, institutes, universities and polytechnics, as well as individuals, from countries all around the world. The project submitted must be a new development in the role of natural fibers, which has not received an award elsewhere.

Due to the international nature of the jury, we ask you to submit your project description in English.

Form of entry

Registrations will be accepted by email. Original photographs or patterns will be accepted only following prior consultation.

In addition to the registration form, please also fill in the form the “List of exhibits for the special show”, so that we can plan the special-show area in good time.

Please submit the following documents:

- Completed registration form
- Description of project on maximum 2 A4 pages
- Photographs or illustrations (maximum 3) can be enclosed in the submission
- Complete list of possible exhibits in the Innovation Contest special shows

The total size of the file must not exceed 5 MB!

Jury

A jury will decide on the award of the Fibrenamics Contest and its decision will be final and indisputable. Legal recourse is excluded.

Award

The number of prizes will depend on the quality of the works submitted and is unlimited.

The award ceremony for the Innovation Contest will take place during the 4th International Conference on Natural Fibers, in Porto, Portugal.

The prize winners will receive a certificate and a logo (word and picture brand in digital form) which can be used for publications.

Collection of exhibits for the special show
